**Second Amended Verified Motion to Quash**

**State of Wyoming                    )  
  ) ss  
County of Sheridan                )**

I, Jane Joyce Rice, tender this second amended verified motion to quash and pursuant  
28 U.S.C. § 1746 declare as follows.

1. The motion to quash and the amended motion to quash are included herein by  
reference as though set forth fully.

2. Notwithstanding my previous mistaken belief and representation to this court to  
the contrary, the purported “process” I thought I was served on February 14, 2007 was  
not process issued from this court. My recent diligent research into the matter has caused  
me to come into this understanding..

3. The document titled "SUMMONS IN A CIVIL CASE" given to me by a process server on February 14, 2007 and accompanied with a document titled "COMPLAINT," was neither signed by the clerk of this court nor under the seal of the court.

4. 28 USC § 1691 provides that "[a]ll writs and process issuing from a court of the United States shall be under the seal of the court and signed by the clerk thereof."

5. FRCP 4(a) provides *inter alia* that "[t]he summons shall be signed by the clerk, bear the seal of the court, identify the court and the parties, be directed to the defendant, and state the name and address of the plaintiff's attorney or, if unrepresented, of the plaintiff.

Wherefore, the purported service of "process" executed without the requisite signature and seal, is defective, and this court lacks personal jurisdiction.

I, Jane Joyce Rice, being competent to testify declare under penalty of perjury under the laws of the United States of America that the facts stated herein are true and correct.
